

Quote of the day

Ignorance and prejudice are the handmaidens of propaganda. Our mission, therefore, is to confront ignorance with knowledge, bigotry with tolerance, and isolation with the outstretched hand of generosity. Racism can, will, and must be defeated.

Topic of the day

Does Power + Prejudice = Racism is the topic of the day. Black people can't be racist because we don't have power and aren't privileged. If we are prejudice we don't have as much of an impacted on this society.
